## The Veterans Woodshop

Established in 1978, the Minnesota Veterans Home – Hastings provides a wide variety of services for our veterans suffering from chemical dependency, mental health illnesses, dual disorders, homelessness and/or the debilitating effects of aging.

The Veterans Woodshop provides a therapeutic working environment that allows our veterans to learn and/or excel in the woodworking trade. The Veterans Woodshop produces high quality and individually handcrafted flag and memorabilia cases, plaques, signs, picture frames and many other specialty items.
